

# Customize your B-lock!

When purchasing a new ScoopEXL Kit or B-lock, you can request **customization on both side blocks of the head immobilizer.**

Thanks to Ferno's new laser marking technology, you can now personalize them with your preferred text.

Customization space dimensions:

10 x 1 cm

## How does it work?

Purchase your B-lock (or ScoopEXL Kit) and the customization online.

Enter the text to be engraved on the side blocks in the notes field.
